

RECEIVING BCD HEIFERS — Four freshmen boys will receive the first turn over of heifers in the Board of Community Development Beef Heifer Chain which

was started in 1963. They are, left to right, Gil Lain, Mike Young, Mike Brown and Hollis Stephens.

Four Freshmen Ag Students Receive Beef Heifers from BCD

At a special meeting of the Agriculture Committee of the Hamlin BCD October 1, four vocational agriculture students of Hamlin High School were selected to receive beef heifers from the BCD Beef Heifer Chain. Boys selected were Mike Brown, son of Mr. and Mrs. James Brown; Gil Lain, son of Mr. and Mrs. Dale Lain; Hollis Stephens, son of Mr. and Mrs. Dwayne Stephens; and Mike Young, son of Mr. and Mrs. Gerald Young. All four boys are freshmen in Hamlin High School this fall.

The BCD Beef Heifer chain began in the summer of 1963 when Lanny Foster, Mike Smith, Stanley Smith, and Charles Stamford received the first four heifers. The BCD had obtained the original heifers from Olin Amerson, Pied Piper Farms, Y-6 Ranch, and Tarlton Willingham and son.

The first four boys received heifers which were about six months old and raised them

to cows. Under the program the boys were to return a heifer to the BCD after their heifers had their first calf. This is the first turn over of heifers under the program.

Mike Brown is to get a heifer from Charles Stamford, Gil Lain from Lanny Foster, Hollis Stephens from Stanley Smith, and Mike Young from Mr. and Mrs. Dwayne Stephens.

Members of the Agriculture Committee are Milburn Wink, chairman, Elbert Payne, and J. E. Brown. Also meeting with the committee was T. C. Blankinship.

The boys selected to receive heifers were selected from a group of vocational agriculture students who had made application for the heifers. Selections were based on facilities the boys have for the animals at their home farms, interest in livestock, scholastic standing, and essays written by the boys expressing why they wanted to receive a heifer.

McCauley Exes Plan November 6 Homecoming

The McCauley Ex-students Association met in the home of Mr. and Mrs. Luther Maberry Wednesday night to plan McCauley's 1965 Homecoming. President Mrs. Donald (Mary Lou Maberry) Rowland of Sweetwater presided.

McCauley's Homecoming will be Saturday Nov. 6, 1965, in the Ed Mason Gymnasium. Registration and visiting will begin at 3 p.m. followed by a business meeting and election of 1966 officers at 4 p.m. A \$1.25 per place barbecue dinner will be served by the junior and senior classes as a means of raising money. Dinner will be served at 5 p.m. A football game between McCauley and Ira will begin at 7:30 p.m. Coffee, pie and visiting in the gymnasium is slated for after the game.

Howard Faught, first vice-president, of Roby is in charge of the after-game coffee. Others attending the Wednesday night meeting were Mrs. A. A. (Lavena Sue Maberry) Smith and Mrs. Jerry (Charlene Mustain) Maberry of McCauley and Mrs. Rudy V. (Patsy Maberry) Hamric of Rotan.

Piper Marching Band to Take Part in State Fair of Texas Monday

Seventy-four members of the Piper marching band will leave here early Monday morning to take part in the Monday evening performance of bands from throughout the state at the State Fair of Texas in Dallas.

Seventeen bands, one representing each region, have been selected to participate in the performance in the Cotton Bowl. It is an honor to be one of the bands to be chosen.

Rehearsals will take place Monday afternoon, and the massed performance will be held at 7:30 p.m. The Hamlin band will play a 30 minute concert on the fairgrounds Monday at 12 noon.

Pipers-Bearcats To Meet Friday

The Pied Pipers will be seeking to avenge the 31-6 mauling they took at the hands of the Bearcats last year as they journey to Ballinger Friday night for their second district game. The Pipers were successful in their first district outing last Friday, defeating Stamford, 7-0.

Coach Joe Youngblood announced this week that four outstanding player awards will be given at the Pep Rally Friday morning for outstanding effort in the Stamford game last Friday. Receiving awards for offense will be Tommy Ferguson and Danny Warner and for defense will be Larry McCoy and Sammy Ferguson.

The Pipers will be in good shape for the game Friday night, coming out of the Stamford contest without any major injuries, according to Joe Youngblood, head coach.

The Bearcats were idle this past week and are undefeated in their four non-conference games this year. This will be their district opener. They have given up only seven points this season while scoring 53 points. The seven points were scored by Post, a team Ballinger beat, 12-7.

Freshmen Play Here At 7 Tonight; B Team to Trent

The Hamlin Freshmen will host the Aspermont Frosh tonight (Thursday) at 7 p.m. and the B Team will travel to Trent to take on the Trent Varsity tonight at 7. The Freshman game was originally scheduled at 6 but has been changed to 7.

The Seventh grade will play Aspermont there Saturday morning and the Seventh and Eighth grades will journey to Anson Tuesday for a rematch.

Farm Placement Representative Here Mondays

A representative of the Texas Employment Commission Farm Placement Department, will continue to be in Hamlin at Fireman's Hall every Monday morning from 9:00 a.m. to 12:00 noon, according to Kenneth Carman, farm representative for the Commission in Jones County.

An intensive effort is being made now to locate experienced cotton stripper operators and throw back hands to work in this area, so all workers interested in this type work and all farmers needing hands, are urged to contact Mr. Carman in Hamlin on Monday or come to The Texas Employment Commission office in the Courthouse in Anson Monday through Friday. Anson telephone number is Valley 4-2261.

Wiley is the big threat in the Bearcat backfield and is also their strongest boy on defense, playing linebacker.

Probable starting lineup for the Bearcats will be: Jerry Hallmark (170) and Lynn Parish (143) at ends, Dickie Redman (170) and Buddy Harris (185) at tackles, Steve Baird (183) and Bobo Gray (147) at guards, and Dale Haygood (179) at center. Tommy Selby (135) at quarterback, David Prince (165) and Phillip Mata (140) at halfbacks and Wiley (168) round out the Bearcat backfield.

BALLINGER TICKETS NOW ON SALE HERE

Football tickets for the Hamlin-Ballinger game are now on sale at the three local drug stores. All football tickets sold here in Hamlin prior to a district game will net the local school an extra 25 cents as the school retains the reserve seat portion of the price.

Abilene Woman To Speak at P-TA Meeting Today

The Hamlin Elementary Parent-Teachers Association will meet today (Thursday) at 4 p.m. in the primary cafeteria.

The speaker will be Mrs. J. D. Proctor of Abilene. The theme is "Together We Help A Child By Cooperating With Youth Serving Groups."

Entertainment will be presented by the third grade. Mrs. Cecil Sellers will give the thought for the month.

County Farmers Union to Hold First Convention Sat.

The first annual county convention of the Jones County Farmers Union will be held Saturday night, Oct. 9, at 7 p.m. at the Girl Scout Building at the City Park in Anson, according to a spokesman for the group.

Plans have been made for a barbecue meal, entertainment, and door prizes. At this meeting new officers and directors will be elected, and delegates to the State Farmers Union Convention to be held Nov. 4, 5, and 6, at the Windsor Hotel in Abilene, will be elected.

The public is invited to attend the barbecue, and tickets will be available at the door.

Stamford Man First In County to File For Poll Tax Receipt

J. B. Cooper of Stamford was first Jones Countyman to file for a poll tax receipt for the new year. Tax Assessor A. J. French Jr. said Monday that many citizens fill out applications for poll tax when they pay their property tax. The application of Mr. Cooper was the first to be handled.

There has been some question as to whether poll taxes will be collected this year inasmuch as Texas' poll tax law is being attacked in the courts on the grounds that it is unconstitutional.

State officials are urging payment of the tax with the suggestion that final decision has not been handed down by the court and this may not come within the next year.

The adoption of a constitutional amendment holds that poll tax receipts can not be required for national elections. To handle this situation, a voter's registration law was passed in Texas and registration slips are issued by the county tax collector.

What will happen to this program also is a matter of conjecture inasmuch as a charge is made for registering.

TO ATTEND WORKSHOP IN SAN ANGELO — Members of the '66 Piper annual staff will attend a workshop at San Angelo State College Saturday. Attend-

ing will be, left to right, Judy Jenkins, Glenda Hudspeth, Cynthia Stephens, Tommy Oliver, Mrs. L. R. Fowler, sponsor, Linda Legan and Margaret Johnson.

Chili Supper Tickets Go on Sale As Final Homecoming Plan Set

At an executive meeting of the Hamlin Ex-students Association held Monday night with President Robert Fowler presiding, the group discussed finals plans for the Homecoming to be held Oct. 16.

Tickets are now on sale for the Chili Supper to be held Friday evening, Oct. 15, preceding the bon fire and pep rally. The chili supper will be served from 5 to 7:30 p.m. in the high school cafeteria. Tickets are available at 75 cents each from the executive committee and from various businesses downtown.

The bon fire will be at 8 p.m. at Piper Stadium.

The tickets for the Saturday noon luncheon at \$1.25 per person will go on sale early next week. Tickets for children will be 75 cents. The luncheon will be served from 11:30 to 1:15, catered by Mack Eple's of Abilene.

At the program and business meeting in the auditorium at 1:30 p.m. the Hamlin High School stage band will be a part of the entertainment.

Two Days Rain Brings 1.22 Inches

Rains that started in the early morning hours Monday morning and continued through Tuesday brought 1.22 inches of moisture.

The rainfall was .34 on Monday and .88 Tuesday.

The slowly falling rain soaked into the dry earth leaving little run off to reach the tanks and lakes. The creeks out south of here that flow into the South Lake were not running Tuesday.

Entries in the parade to be held downtown at 11 a.m., Oct. 16 must be in by Friday noon, Oct. 15.

In addition to the divisions announced last week there will be a bicycle division. First prize will receive \$2.50; second, \$1.50; and third, -1. Passes to the Rogue Theatre will be given to all participants.

Windows are being decorated this week by Mrs. Jack Vaughan and Mrs. Burt Oliver, chairman.

Pictures of the deceased ex-students and teachers will be displayed at the Hamlin Herald. Pictures are to be taken to the Herald by Friday, Oct. 8.

overhead projector and an opaque projector; an Autoclave to sterilize the instruments and first aid supplies; an Auto-Harp for the Public School Music Department; placed caution signs at intersections; purchased playground equipment and bicycle racks; and donated to the Boy Scout Building Fund, West Texas Rehabilitation Center and helped with the Mothers March of Dimes.

During the 1964-65 school session \$375 was paid on the cost of placing air conditioners in the primary building.

The students in junior high will be securing subscriptions to magazines through the Quality School Plan and subscriptions to the weekly newspaper, The Hamlin Herald.

The primary and elementary students will take subscriptions to the Herald.

The P-TA receives commissions from all sales and the students will be presented prizes according to the number that they sell.

STUDENTS SCORE IN TOP 10% — The above students have been recognized for high performance on National Educational Development Tests taken this spring. Certificates will be awarded to them in recognition of their achievement of being in the top 10% in the nation. The students, left to right, and their parents are Shirley Peace, Mr. and Mrs. L. M. Peace, Randy Smith, Mr. and Mrs. Floyd Smith, Revonna K. Robertson, Mr.

and Mrs. Revis Robertson, Randy Morgan, Mr. and Mrs. W. W. Morgan, June Hill, Mr. and Mrs. John C. Hill, Tommy Oliver, Mr. and Mrs. Burt Oliver, and Libby Shultz, Mr. and Mrs. Douglas P. Shultz. The NEDT test is given to Freshmen and Sophomores prior to their taking the National Merit Scholarship Qualifying Test which is given to junior students.

YEARS AGO...

50 YEARS AGO

October 8, 1915

Work began Monday by D. J. Payne and Foreman on the lot just north of Payne's store. Here they are laying the foundation for a business house the entire length of the lots. When the building is finished it will be used by Mr. Forman for an up to date picture and theatre house. Other buildings to go up at once will be built by B. S. Ferguson on the lots between the Hamlin Hotel and the City Bakery. Here he will build a house 50 by 100 feet of brick using the latest styles of architecture. N. Y. Wilson will extend the Guilbert and McMahon building the entire length of his present house.

Hamlin is a safe place to make investments. It has proven its power to hold up splendidly during the dry years. It is surrounded by a fine agricultural country, and its railroad outlet is ample now and will be better in the future.

H. A. Dolman left Monday to buy his stock of Christmas goods. He left for the Dallas market with the aim to buy the largest stock that he has ever purchased. This is a good index to Hamlin Country.

Miss Ollie Terrell of Eddie, Texas is here with some fine specimens of her oil paintings. They are on display at Gilbert & McMahon's Jewelry Store.

Cotton picking has gone up to 75 cents per hundred. The wet rainy weather is bad on cotton pickers and is damaging some cotton, causing it to rot in the bale.

Woolen Dress Goods in all the new shades, especially priced 30 cents, 49 cents, 69

Hamlin voted for a new city hall. Perhaps never before did Hamlin have a bond election when the voters took as little interest as on last Tuesday when a \$12, 000.00 bond issue was overwhelmingly accepted.

Wednesday Hamlin Rotarians had the rare privilege of a visit from District Governor, Frank Roberts, of Breckenridge.

Good Sportsmanship -- What is good sportsmanship? In reality good sportsmanship is principally a state of mind formed as a result of doing one's best while losing and being modest or complimentary as the occasion demands. A real sport is a fellow that compliments his beaten foe, and is not inclined to boast or swagger over his success. This however, while losing and being modest is the simpler part of sportsmanship. The true quality is more often shown when the loser pats his winning opponent on the back, congratulating him, smiles, and loses graciously. This type of person is rare, but is an associate well worth having.

Courage, and self control are two essentials of good sportsmanship. It takes a fellow with real courage to congratulate his victorious opponent. Self control - consider the word. It is nothing but natural for a person to wish to win. When one's wishes are thwarted, there is an inclination to lose one's temper leave the field in disgust and vow that your opponent was lucky.

New Styling for '66 Ramblers

Rambler Classic station wagons for 1966 have new roofs and tailgates, are longer, and provide more cargo space than in 1965. Overall length has been increased from 193 to 195 inches, and cargo space has been hiked to 83 cubic feet, an increase of three cubic feet. The new tailgate is easier to open, while the exclusive side-hinged door is offered as an option and included with the three-seat option. All 1966 American Motors cars will go on public display October 7.

self control, if in the possession of the loser, enables him to restrain from such ungentlemanly actions.

The acquisition of good sportsmanship requires untold effort. A firmly restrained find is necessary to withhold one's temper and prevent one's making a spectacle of himself. Not only is this effort necessary, but practice is also essential to the mental make-up of a good sport.

Good sportsmanship yields its dividends in friendships formed and individual prestige. The crowd loves a winner, but it also loves a gracious loser.

We Won! We Won! We won by golly we won! I told you we would; we showed you we could; we won by golly we won! And we did win! The Pipers won their first district game against the Stamford Bulldogs with a score of 7 to 0. Let's keep backing our team and have another victory over the Ballinger Bearcats this Friday night!

The Spanish Club met Tuesday night and elected officers for the year. They are Jim Kincaid, president; Jane Ferguson, vice president; Linda Legan, secretary; Phyllis Rackley, reporter; Reba Jackson, pianist; and Jan Albritton, song leader. After electing officers, everyone played games and sang songs. The club has many interesting and exciting events planned for this year. Sponsoring the Spanish Club is Mrs. Charles Scott.

Everyone is beginning to get ready for Homecoming. Several committees in different classes have met to plan their floats. Let's all cooperate and work, and try to make our Homecoming this year a memorable one.

Test Your Fall Fashion Score

Want to discover if you are hip to the latest fashions for the fall season? Then we suggest you check off the new from the old in this informative fashion game:

- lots of bulk in fabrics, in tweed and mohair.
- Smooth stocking, or the no-stocking look.
- Mixing checks, dots and stripes.
- Lace and frills down to dark.
- Rich, wonderful colors in foundations; wearing red under black, or sun-glo under green.
- Boots and low heeled shoes.
- For evening, fashions that plunge either in front or back or are off one shoulder.
- Pleats.
- Sleepwear to match lingerie and foundations.
- Loving the natural 1930 look from blonde curls to beige body shapers.

If you checked ideas three to ten, your fashion score couldn't be higher. If you included one and two, you need a quick brush-up on what's in the fall fashion scene.

Fabrics are smoother this season. Looking bulky and hidden is OUT. Having the lines of your figure well defined but not restrained is IN.

Emphasis in dresses and suits are on whip cords and twills. Zaniest of all are the new Op art designs on frocks.

Stockings are daffier than ever with designs and textures that play up the leggy look.

The Mod look continues to bring us lace and high waistlines, in a zippy combination of modern and Victorian.

In the private eye of fashion, black is back and nude is the new basic, but the daring dressers are turning to cherry reds and sunglo shades.

According to Gossard-Antoines, designers of intimate apparel to the couture world are finding inspiration in the 1930's so this fall let yourself go feminine.

House Bill 73 Limits Landowners Liability

The most recent piece of Texas legislation that applies to outdoor recreation is House Bill 73. It became effective on Sept. 1, 1965, says County Agent Kirby Clayton.

The Act limits the liability of any owner, lessee or occupant of real property who gives permission to another person to enter his "premises" for purposes of hunting, fishing and or camping. The word "premises" in this case means lands, waters, water courses and private ways including all buildings, structures, machinery and equipment.

House Bill 73, says Clayton is designed to encourage land uses for hunting, fishing and or camping that are non-commercial.

General Crude Wins Award

General Crude Oil Company, Houston, has been selected for a first place award for having issued the best stockholder annual report for petroleum companies with assets under \$200 million in the Twenty-fifth Annual Report Survey sponsored by "FINANCIAL WORLD," national weekly magazine. Symbolic of the achievement, the company will receive one of the Oscar-of-Industry trophies on Tuesday evening, October 26, at a banquet in the New York Hilton Hotel.

Approximately 5,000 annual reports were reviewed in determining the winners for 97 industry classifications in the 1965 competition. In the small petroleum classification, Hudson's Bay Oil and Gas was runner-up for the award and Western Decalta Petroleum placed third.

Mr. and Mrs. John Lee Barnett, Beverly and David of San Angelo and Mr. and Mrs. Kenneth Barnett, Mike, Belinda, and Chris of Abilene were week end visitors with their parents, Mr. and Mrs. John Barnett.

Last time it was size. This time? Quality! Quality that's built in—not added on. The promise: more built-in quality features at no extra price.

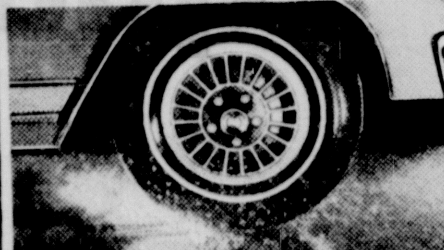

Remember when American Motors came out with the trim little Rambler and knocked the Detroit "Giants" on their collective ear? Overnight, big fins and fat land yachts went out of style. American Motors came along with the right cars at the right time and caught the competition napping. This year, almost half the automobiles sold are Rambler-size cars.

Round one to the "Giant-Killer." What next? For '66, American Motors again gets the jump on the big boys with a new rallying cry: Quality! A new kind of quiet quality that is built in as standard equipment on every car in the line.

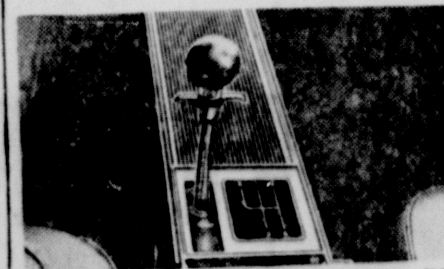

This is the American Motors credo. Quality that's built in—not added on. First, determine what has to go into a car to make it stronger, safer, more dependable, more luxurious. Then put it there. Regardless of cost. Build it in.

Ready to be convinced? Ready to be surprised? Check this page for a preview of the 4 sleek challengers. New cars. New names. Then admire the styling of these exciting new cars. Albritton-Buie Vows Exchanged Saturday

Wedding vows were exchanged by Dorothy Melinda Albritton and Ronald Paul Buie of Monahans in double ring ceremonies read here Saturday evening at seven o'clock in the First Baptist Church.

Parents of the couple are Mr. and Mrs. W. Henry Albritton and Mr. and Mrs. Dick M. Buie of Rankin.

The vows were read by Rev. Byron Bryant, pastor, as the couple stood before a background of palm trees. Candle trees with votive cups and bouquets of white gladioli completed the setting.

Jan Albritton, sister of the bride, was soloist. Organist was Judy Fitzgerald.

Mrs. Joe D. Cowan of Dallas was matron of honor for her sister, Legena Weaver as bridesmaid.

Jerry Buie of Lovington, N. Mex., brother of the bridegroom, was best man. Larry Simpson of Rankin was groomsmen.

John Ferguson and Larry Ridgeway of Abilene, cousin of the bridegroom, were ushers.

The bride, given in marriage by her father, wore a princess-line gown of delustered satin designed with long tapered sleeves and scoop neckline accented with pearls and re-embroidered alencon lace. Appliques of alencon lace were used on the detachable chapel train. Her crown of pearls and iridescents held a veil of illusion.

She carried a cascade of stephanotis centered with a white orchid.

The attendants' dresses of emerald green peau de soie with elbow length sleeves and bell shaped skirts were worn with matching Dior bow headpieces. They carried nosegays of white chrysanthemums.

The reception was held in the Fellowship Hall.

The table was covered with a white cutwork cloth belonging to the bride's grandmother, Mrs. W. A. Albritton. The centerpiece was of chrysanthemums. Crystal appointments were used.

Fisher County Baptist Association To Meet In Roby October 11-12

The four Associations of Baptist Double Mountain Area: Fisher, Haskell-Knox, Jones, and Stonewall-Kent; will hold their annual meetings in October.

Fisher County Baptist Association will meet October 11-12 at the First Baptist Church in Roby. "Faith in Action" will be the theme of the meeting. The October 11 session will begin at 7 p.m. on Monday night. Program personalities for this meeting will be George McBeth, layman of Highland Home Baptist Church; Horace Carter, layman of Cross Roads Baptist Church; Billy Hudnall, pastor of the First Baptist Church of Rotan; George McDonald, layman of the First Baptist Church of Rotan; Harold Churchill, pastor of the Highland Home Baptist Church; Mrs. N. I. Williams of Lueders Baptist Encampment, and the First Baptist Church of Lueders; and Norris Taylor, pastor of the First Baptist Church of Roby, who will bring the

annual sermon.

The Tuesday, October 12, session will begin at 9:15 a.m. with a worship service directed by Billy Hudnall. Program personalities will be: R. D. Harris, pastor of the Calvary Baptist Church of Rotan; D. S. Moore, Jr., Moderator of the Association and pastor of the Cross Roads Baptist Church; Mrs. Walter Byrd, Associational Woman's Missionary Union President and lay-worker of Cross Roads Baptist Church; Carrol Green, pastor of Sylvester Baptist Church; Bob Stokes, former pastor of Hillcrest Baptist Church of Rotan; Norris Taylor, George McBeth, Gary Clark Associational Clerk and pastor of the McCaulley Baptist Church; Dr. William O. Beazley, Director of Student Life and Admission at Hardin-Simmons University, who will speak on "Faith in Action" Through Christian Education; and Eugene Greer, program analyst with the Baptist General Convention of

Belvedere Is Completely New For 1966

The intermediate size Plymouth Belvedere for 1966 has a wholly new appearance, major chassis improvements and a wide range of optional equipment. A production version of the famous 426-cubic inch hemispherical head V-8 engine will be offered in 1966. There are six Belvedere body types and 18 models. Shown here is the Satellite two-door hardtop. Sedans, hardtops and convertibles will have a 116-inch wheelbase, and station wagons a 117-inch wheelbase. Fully unitized bodies with curved glass windows and fresh body lines make the new Belvedere look longer and lower than its 1965 counterpart. The standard V-8 engine in the Belvedere series has 273 cubic inch displacement with a two-barrel carburetor. Other engine options besides the 426 "hemi" are the 318 and 361-cubic inch V-8s using regular fuel, and a high performance version of the 383-cubic inch V-8. Safety features include a new type of inside door handle, and new power brake boosters.

OLD GLORY...

By Judy White

Date of Coronation ceremonies for the Old Glory Yearbook Queen and Princess has been set for Saturday night, Oct. 30. The event will be planned and sponsored by the Yearbook Staff.

The Senior Class candidate for the Yearbook Queen is Rhonda Baltz, she will be escorted by Marvin Vahlenkamp; Judy White, the Junior Class candidate will be escorted by Joe Mack Boles; Brenda Palmer, freshman, will be escorted by Kenneth Jones, Old Glory does not have a sophomore class this year, therefore no candidate from that class.

In the race for grade school princess, Regina Letz, representing the 7th and 8th grades, will be escorted by Robert Joiner; 5th and 6th grades candidate, Cynthia Boles, escorted by Russell Letz; 3rd and 4th grades, Beverly Neumann, escorted by Sammy Henderson; and 1st and 2nd grades, Debra Teichmann will be escorted by Scott Bridges.

Winners in both the queen and princess races will be featured in the Favorite Section of the school's 1966 annual. Later announcements will give the place, hour and other details of the coronation.

4-H Clubs Elect Officers

Old Glory Community 4-H Clubs met last week to elect their club officers for the 1965-66 year.

The senior club, meeting on Tuesday, selected Marvin Vahlenkamp for their president. Judy White is the vice-president; Judy Sander, secretary-treasurer; Reva Letz, reporter and recreation leader. Adult leaders are Mrs. Bernice White

and Mrs. Anita Valenkemp.

Regular meeting dates for the club this year will be on the first Wednesday of each month. Mike Baldree and Marvin Vahlenkamp will give a demonstration for the club Nov. 3.

The junior club met on Wednesday afternoon to elect their officers and named Russell Letz as their president; vice-president is Dale Letz; secretary, Linda Palmer; treasurer, Regina Letz; reporter, Patty Bradshaw; and recreation Chairman is Carol Palmer.

The junior club will sponsor a bake sale in front of Rhoads Grocery on Oct. 10. Each Junior 4-H member is asked to bring two items to sell. They have announced there will be no outside orders.

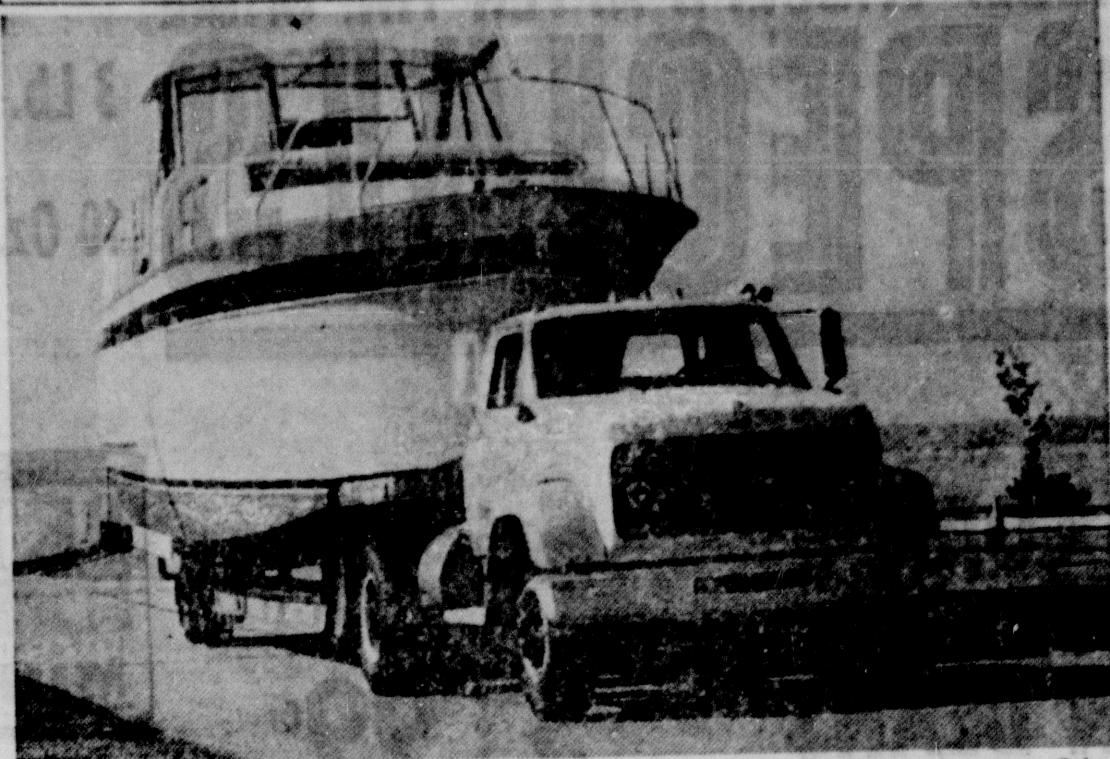

Variety Club

The Old Glory Variety Club met on Tuesday of last week in the home of Mrs. Beno Hertenberger for an all day quilting party and covered dish luncheon. Eleven members and six visitors were present. Visitors were Mrs. Irene Flowers of Stamford, a former member; Mrs. Ben Dudenising; Mrs. Delos Calicoate, Mrs. Tillie Dippel, Mrs. Herman Letz, Mrs. Louise Spradling who is from Waco.

The next meeting will be held in the home of Mrs. Garrett Spitzer Tuesday, Oct. 12.

Mr. and Mrs. R. M. Crabtree of Plainview were visitors in the home of Mr. and Mrs. R. O. Gibson recently. They were enroute home from Tampa, Fla. where he had attended World War I Veterans Convention. Other visitors in the Gibson home were their daughter, Mrs. Donna Schurlock and daughter and Mr. and Mrs.

New-Style Cab Leads
1966 Chevrolet Truck Line Features

New in Chevrolet's 1966 truck line is this short cab for many heavy-duty models. Aerodynamically styled for low air-resistance, its short length gives improved load-weight distribution, yet retains adequate driver room and comfort. Many panels are easily removable for access to the chassis or for damage replacement. Other features of the 1966 line include a new three-ton series with payloads up to 17 tons, six new engines, a three-speed automatic transmission, and several safety items as standard equipment. The line has been expanded to 366 models.

McCAULLEY SCHOOL NEWS—
FROM THE EAGLE'S BEAK

Barbara Griffin
Rachel Miranda
Ann Kemp

The doors of McCauley school opened Monday to a busy week in the activities of McCauley students. Plans and preparations for the annual pep squad hamburger supper were made. Tuesday the members of the pep squad sold tickets after school and final tasks were performed. The football field lights burned late Tuesday as the eagles prepared for the bout with the Lueders Pirates Friday.

The FHA had a get acquainted coke party Wednesday night. Barbara Griffin, president, quizzed the officers: Ann Kemp, Jeanne Acklin, Lana Acklin, Linda Spaulding, and Carol Griffin. This let us all know how we stood on knowing about FHA and its functions. Jeanne Acklin led us in a number of songs that she learned at the leadership lab in Lubbock. Cookies and soda pops were served. The new members: Bobbie Kirby, Debbie McCright, and Charlotte Griffin seemed to enjoy the meeting very much.

son. The future looks bright for more victories for M. H. S.

After the game, the rest of the hamburgers were sold. This was also a great victory for the pep squad. Our thanks go out to Jerry Crowley for donating the meat, Charlene Maberry, Mrs. William McCright, and Mrs. A. R. Griffin for cooking the hamburgers. We are also grateful to the many others who gave their time and energy to make our hamburger supper successful.

We regret to say there was one casualty during the game Friday. It seems the fans kept getting tackled. As a result Mr. Ed Gibson received a broken leg. He was due for surgery Saturday morning at Hendrick Memorial Hospital. We all hope he recuperates nicely and will be back, to back our team very soon. So to Mr. Gibson, the students of

McCauley High say, "Please hurry and get well."

After a full week of activity, we not so anxiously await the coming week when that familiar but not so welcome time rolls around — Six Weeks Exams.

Burkett of Haskell, District Director, Business and Professional Women's Clubs, will be the guest speaker for the Tuesday evening meeting of the Hamlin B&PW Club in the high school cafeteria at 7:30 p.m. Members of the Civic Participation Committee, with Mrs. Ned Moore as chairman, will be hostesses for the dinner meeting.

Agent Suggests Practices to Help Control Cotton Insect Populations

Early cotton harvest — immediate stalk destruction and plowing under debris reduces boll weevil, pink bollworms, boll worm and tobacco budworm populations, says county agent, Kirby Clayton. These practices says Clayton, force the boll weevil into starvation before time to enter winter quarters, prevents late season build up of weevils and other insects.

The addition of .5 lb. of Methyl Parathion or .25 lb. of Guthion per acre to Arsenic Acid or Phosphate type defoliants has proved beneficial in reducing potential overwintering boll weevil populations. However, ground applicators should take precaution and use protective clothing when applying these insecticides. Respirators should be worn during stripper harvesting where arsenic acid and methyl parathion are used in desiccating the cotton. The agent cautions producers not to use methyl parathion or guthion in clorete type defoliants or desiccants.

Applying cotton burs to the land between crops protects land against erosion and when the burs are turned under an increase in the yield lint in the next cotton crop usually results, says Jones County agent, Kirby Clayton. Successive yearly application on the same land are more profitable than applications on a different area year.

Lint yield increases were not produced during the first

two years that burs were applied. The third and successive applications through a five year period produced the greatest increases. This indicates that a farmer should not apply burs one year only and expect much of a lint yield increase. It is possible that a decrease in yield may follow a 10-12 ton application of burs if no nitrogen is added to help decay the material.

Addition of 2, 4, and 6 tons of burs per acre produced the following increase in lint yields at the Lubbock Station:

No burs added -----528 lbs.
2 tons burs added ----533 lbs.
4 tons burs added ----688 lbs.
6 tons burs added ----743 lbs.

These tests were run during 1952-57 at the Lubbock Experiment Station.

For farther information contact your local county agricultural agent.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin. — A governor's committee soon will embark on the most-ambitious effort yet undertaken in Texas to find what's wrong with the public schools and to make them better.

Governor John Connally rapidly is completing appointments to his 15-member committee on public school education which was authorized by the 59th Legislature. It is expected to be in operation within the next month.

Activities, to a large extent, parallel those of the earlier Governor's Committee on Education Beyond the High School which probed needs of higher education. However, this new assignment necessarily is more massive.

A three-year study of the public school system and formulation of a longrange plan to make Texas "a national leader in educational aspiration, commitment and achievement" was directed by the

Legislature. Connally insisted the study requirement be made a part of the school teacher pay act of 1965.

State financing to the tune of \$100,000 this year and \$15,000 next year is provided for — with additional funds expected from federal sources.

Every state agency and institution and all state and local school officials are directed by the Legislature to cooperate with the committee in a "pervasive inquiry into every facet of Texas public elementary and secondary education."

Meanwhile, the Coordinating Board for Texas Colleges and Universities — a product of the earlier higher education study — has set October 18 for its next meeting here. Session will be the powerful board's first chance to get down to planning for higher education needs since its organizational meeting September 20.

Attorney General Rules — A person placed on probation for first-offense driving while intoxicated is not subject to automatic suspension of driver's license, Atty. Gen. Waggoner Carr has ruled.

In an opinion requested by Fort Bend County Atty. R. A. Stallings of Richmond, Carr concluded that since a probation sentence is not a final conviction, there is no automatic license suspension. If probation is revoked and judgment becomes final, the license would be suspended at that time, Carr said.

Opinion settled widespread speculation on terms of the new Misdemeanor Probation Law.

In separate opinion, Carr held a newspaper printed by

contract and mailed in one county for distribution in another county legally is eligible to publish Constitutional Amendment advertising Secretary of State Crawford C. Martin requested the opinion, referring specifically to the Granado Tribune, circulated in Jackson County, but printed and mailed in Lavaca County.

Permit Cancellation Sought — Colorado City and Mitchell County filed suit in 53rd District Court in Austin to cancel the permit for the Robert Lee dam project on the Colorado River.

Contention is that it precludes the construction of a dam to supply Mitchell County needs and hurts their hopes for future development.

Dam Permit on Nueces — An application has been filed with the Texas Water Rights Commission for a proposed dam on the Nueces River at the Smyth Crossing site in the Zavala-Dimmit Water Improvement District No. 1.

Application proposes a reservoir of 66,670 acre-feet at normal spillway level, 164,350 acre-feet at service spillway crest. A slow release of flood waters is proposed.

Reservoir Refused — Texas Water Rights Commission denied application for \$4,750,000 reservoir on Village Creek near Kountze in Hardin County.

Commission acted after opponents testified the project would mean an added tax burden of \$308,992 a year for property owners in the southeast Texas area and that water which the dam would add 33,000 acre feet of impound will not be needed for more than 30 years.

Advocates were advised they could reapply for creation of a district empowered only with making surveys to determine feasibility or to develop plans for a water supply program if desired.

Appointments Announced — Glenn Biggs, Abilene realtor, now is executive administrative assistant to Speaker of House Ben F. Barnes.

Biggs' main responsibility will be management of activities involving interim legislative committees and implementing work of Texas Legislative Council, research arm of the Legislature.

Barnes also appointed five lawmakers to the important committee to study criminal law revision. They are Reps. Dudley Mann of El Paso, Walter Knapp of Amarillo, Rayford Price of Frankston, Joe Shannon of Fort Worth and Jack Woods of Waco. Group will study punishment, penalties, sentencing, probation and parole and definition of crimes. Also, it will review related federal laws and laws of other states.

Soldiering — Draft quotas have doubled and local boards no longer are as liberal in deferment policies for students.

Col. Morris S. Schwartz, state Selective Service director, still is recommending deferment of undergraduate students enrolled for 12 or more semester hours.

A student is recommended for deferment only if there is evidence to prove degree requires additional study, Schwartz said.

A student may take even less than a full load if he is able to complete his college training in four or five hours.

Colonel Schwartz said draft headquarters would not recommend deferment of students taking less than nine hours.

Those who drop out of school, carry less than full academic load, or placed on scholastic probation, can expect termination of deferments.

About 450 Texas doctors have been ordered to take required physical examinations by Texas draft boards as part of anticipated calls for doctors, dentists and veterinarians to enter active armed forces duty in January.

At the present time, only those born in 1937 or later will be affected.

Communicable Disease — As the state's population increases, the number of communicable disease cases increase. Gonorrhea accounts for more illness than any other disease plaguing the state's inhabitants, says the State Department of Health and this year's total tops last year's by almost 1,000.

Strept throat is second behind gonorrhea, in the number of cases each year. Only last week, 631 cases were reported, as compared with 759 cases of gonorrhea. Syphilis is third, with 140 cases noted last week.

Gets Rid of Fish Smell

To remove the fish smell from your hands after cleaning your catch, try washing your hands with chlorophyll tooth-paste.

Lemon juice also will deodorize the fishy smell.

Better yet, avoid the smell in the first place by wearing thin rubber gloves while cleaning the fish. A pair of gloves like housewives use while washing dishes will fit nicely in the tackle box.

Wash to Remove Hairs

Dip squirrels, rabbits and other hairy small game in water before skinning. This keeps tiny hairs off the flesh.

RECEIVING BCD HEIFERS — Four freshmen boys will receive the first turn over of heifers in the Board of Community Development Beef Heifer Chain which

was started in 1963. They are, left to right, Gil Lain, Mike Young, Mike Brown and Hollis Stephens.

Four Freshmen Ag Students Receive Beef Heifers from BCD

At a special meeting of the Agriculture Committee of the Hamlin BCD October 1, four vocational agriculture students of Hamlin High School were selected to receive beef heifers from the BCD Beef Heifer Chain. Boys selected were Mike Brown, son of Mr. and Mrs. James Brown; Gil Lain, son of Mr. and Mrs. Dale Lain; Hollis Stephens, son of Mr. and Mrs. Dwaine Stephens; and Mike Young, son of Mr. and Mrs. Gerald Young. All four boys are freshmen in Hamlin High School this fall.

The BCD Beef Heifer chain began in the summer of 1963 when Lanny Foster, Mike Smith, Stanley Smith, and Charles Stamford received the first four heifers. The BCD had obtained the original heifers from Olin Amerson, Pied Piper Farms, Y-6 Ranch, and Tarlton Willingham and son.

The first four boys received heifers which were about six months old and raised them

to cows. Under the program the boys were to return a heifer to the BCD after their first calf. This is the first turn over of heifers under the program.

Mike Brown is to get a heifer from Charles Stamford, Gil Lain from Lanny Foster, Hollis Stephens from Stanley Smith, and Mike Young from Mike Smith.

Members of the Agriculture Committee are Milburn Wink, chairman, Elbert Payne, and J. E. Brown. Also meeting with the committee was T. C. Blankinship.

The boys selected to receive heifers were selected from a group of vocational agriculture students who had made application for the heifers. Selections were based on facilities the boys have for the animals at their home farms, interest in livestock, scholastic standing, and essays written by the boys expressing why they wanted to receive a heifer.

To place coming events in this column call SP 4-1606 by 9 a.m. on Wednesday.

All boys, 8 to 13 years of age, are encouraged to enroll at Connally Ford by Friday at 6 p.m.

All boys who enter must be accompanied by his father or guardian when registering.

The event will follow the same procedure as in the past. There will be a division for each age group therefore all participants will be competing with boys their own age.

Boys who participate in the school athletic program, that is, if they work out at school in pads, will not be eligible.

Lloyd Wright and Eddie Offield are co-chairmen.

They urge all eligible boys in the area to register by Friday and be at the field by 1:30 p.m. Saturday to take part.

If it is raining Saturday, club president, Bill Early, said the re-scheduled time would be announced at school on Monday.

Prizes will be awarded to the top three in each age division. In the 11, 12, and 13 age group, plaques will be given. In the 8, 9, and 10 age divisions, first place will receive a football jacket, second place, a football helmet and third, a McGregor official football.

To Speak Sunday

Dr. Robert Clinton, superintendent of the Snyder Schools will be the speaker for the Layman's Day service at First Methodist Church Sunday morning.

Wesley Nail is the charge lay leader.

The choir will be filled by men.

Rev. Royce Womack is the local pastor.

McCaulley Exes Plan November 6 Homecoming

The McCaulley Ex-students Association met in the home of Mr. and Mrs. Luther Maberry Wednesday night to plan McCaulley's 1965 Homecoming. President Mrs. Donald (Mary Lou Maberry) Rowland of Sweetwater presided.

McCaulley's Homecoming will be Saturday Nov. 6, 1965, in the Ed Mason Gymnasium. Registration and visiting will begin at 3 p.m. followed by a business meeting and election of 1966 officers at 4 p.m. A \$1.25 per place barbecue dinner will be served by the junior and senior classes as a means of raising money. Dinner will be served at 5 p.m. A football game between McCaulley and Ira will begin at 7:30 p.m. Coffee, pie and visiting in the gymnasium is slated for after the game.

Howard Faught, first vice-president, of Roby is to be in charge of the after-game coffee. Others attending the Wednesday night meeting were Mrs. A. A. (Lavene Sue Maberry) Smith and Mrs. Jerry (Charlene Mustain) Maberry of McCaulley and Mrs. Rudy V. (Patsy Maberry) Hamric of Rotan.

Bridge Winners

Mr. and Mrs. Henry Albritton were first place winners at the Tuesday night meeting of the Hamlin Duplicate Bridge Club.

Mrs. Essie Ellis and Mrs. Grady Bowdry, both of Stamford were second. Jack Russell and Mrs. Preston Morrow of Rotan were third.

A Fort Phantom Unit game will be held at the Oil Mill Friday evening at 7:30 p.m.

Bake Sale Sat.

The Calvary Baptist W. M. A. will sponsor a bake sale Saturday morning, Oct. 9. They will also hold a rummage sale.

The sale is scheduled to begin at 8 a.m. in front of the Hassen building.

Piper Marching Band to Take Part in State Fair of Texas Monday

Seventy-four members of the Piper marching band will leave here early Monday morning to take part in the Monday evening performance of bands from throughout the state at the State Fair of Texas in Dallas.

Seventeen bands, one representing each region, have been selected to participate in the performance in the Cotton Bowl. It is an honor to be one of the bands to be chosen.

Rehearsals will take place Monday afternoon, and the massed performance will be held at 7:30 p.m. The Hamlin band will play a 30 minute concert on the fairgrounds Monday at 12 noon.

Pipers-Bearcats To Meet Friday

The Pied Pipers will be seeking to avenge the 31-6 mauling they took at the hands of the Bearcats last year as they journey to Ballinger Friday night for their second district game. The Pipers were successful in their first district outing last Friday, defeating Stamford, 7-0.

The Pipers will be in good shape for the game Friday night, coming out of the Stamford contest without any major injuries, according to Joe Youngblood, head coach.

The Bearcats were idle this past week and are undefeated in their four non-conference games this year. This will be their district opener. They have given up only seven points this season while scoring 53 points. The seven points were scored by Post, a team Ballinger beat, 12-7.

Senior fullback Milford

Freshmen Play Here At 7 Tonight; B Team to Trent

The Hamlin Freshmen will host the Aspermont Frosh tonight (Thursday) at 7 p.m. and the B Team will travel to Trent to take on the Trent Varsity tonight at 7. The Freshman game was originally scheduled at 6 but has been changed to 7.

The seventh grade will play Aspermont there Saturday morning and the Seventh and Eighth grades will journey to Anson Tuesday for a rematch.

Farm Placement Representative Here Mondays

A representative of the Texas Employment Commission Farm Placement Department, will continue to be in Hamlin at Fireman's Hall every Monday morning from 9:00 a.m. to 12:00 noon, according to Kenneth Carman, farm representative for the Commission in Jones County.

An intensive effort is being made now to locate experienced cotton stripper operators and throw back hands to work in this area, so all workers interested in this type work and all farmers needing hands, are urged to contact Mr. Carman in Hamlin on Monday or come to The Texas Employment Commission office in the Courthouse in Anson Monday through Friday. Anson telephone number is Valley 4-2261.

County Farmers Union to Hold First Convention Sat.

The first annual county convention of the Jones County Farmers Union will be held Saturday night, Oct. 9, at 7 p.m. at the Girl Scout Building at the City Park in Anson, according to a spokesman for the group.

Plans have been made for a barbecue meal, entertainment, and door prizes. At this meeting new officers and directors will be elected, and delegates to the State Farmers Union Convention to be held Nov. 4, 5, and 6, at the Windsor Hotel in Abilene, will be elected.

The public is invited to attend the barbecue, and tickets will be available at the door.

Stamford Man First In County to File For Poll Tax Receipt

J. B. Cooper of Stamford was first Jones Countyman to file for a poll tax receipt for the new year. Tax Assessor A. J. French Jr. said Monday that many citizens fill out applications for poll tax when they pay their property tax. The application of Mr. Cooper was the first to be handled.

There has been some question as to whether poll taxes will be collected this year inasmuch as Texas' poll tax law is being attacked in the courts on the grounds that it is unconstitutional.

State officials are urging payment of the tax with the suggestion that final decision has not been handed down by the court and this may not come within the next year.

The adoption of a constitutional amendment holds that poll tax receipts can not be required for national elections. To handle this situation, a voter's registration law was passed in Texas and registration slips are issued by the county tax collector.

What will happen to this program also is a matter of conjecture inasmuch as a charge is made for registering.

Wiley is the big threat in the Bearcat backfield and is also their strongest boy on defense, playing linebacker.

Probable starting lineup for the Bearcats will be: Jerry Hallmark (170) and Lynn Parish (143) at ends, Dickie Redman (170) and Buddy Harris (185) at tackles, Steve Baird (183) and Bobo Gray (147) at guards, and Dale Haygood (179) at center. Tommy Selby (135) at quarterback, David Prince (165) and Phillip Mata (140) at halfbacks and Wiley (168) round out the Bearcat backfield.

BALLINGER TICKETS NOW ON SALE HERE

Football tickets for the Hamlin-Ballinger game are now on sale at the three local drug stores. All football tickets sold here in Hamlin prior to a district game will net the local school an extra 25 cents as the school retains the reserve seat portion of the price.

Abilene Woman To Speak at P-TA Meeting Today

The Hamlin Elementary Parent-Teachers Association will meet today (Thursday) at 4 p.m. in the primary cafeteria.

The speaker will be Mrs. J. D. Proctor of Abilene. The theme is "Together We Help A Child By Cooperating With Youth Serving Groups."

Entertainment will be presented by the third grade.

Mrs. Cecil Sellers will give the thought for the month.

County Farmers Union to Hold First Convention Sat.

The first annual county convention of the Jones County Farmers Union will be held Saturday night, Oct. 9, at 7 p.m. at the Girl Scout Building at the City Park in Anson, according to a spokesman for the group.

Plans have been made for a barbecue meal, entertainment, and door prizes. At this meeting new officers and directors will be elected, and delegates to the State Farmers Union Convention to be held Nov. 4, 5, and 6, at the Windsor Hotel in Abilene, will be elected.

The public is invited to attend the barbecue, and tickets will be available at the door.

TO ATTEND WORKSHOP IN SAN ANGELO — Members of the '66 Piper annual staff will attend a workshop at San Angelo State College Saturday. Attend-

ing will be, left to right, Judy Jenkins, Glenda Hudspeth, Cynthia Stephens, Tommy Oliver, Mrs. L. R. Fowler, sponsor, Linda Legan and Margaret Johnson.

Chili Supper Tickets Go on Sale As Final Homecoming Plan Set

At an executive meeting of the Hamlin Ex-students Association held Monday night with President Robert Fowler presiding, the group discussed finals plans for the Homecoming to be held Oct. 16.

Tickets are now on sale for the Chili Supper to be held Friday evening, Oct. 15, preceding the bon fire and pep rally. The chili supper will be served from 5 to 7:30 p.m. in the high school cafeteria. Tickets are available at 75 cents each from the executive committee and from various businesses downtown.

The bon fire will be at 8 p.m. at Piper Stadium.

The tickets for the Saturday noon luncheon at \$1.25 per person will go on sale early next week. Tickets for children will be 75 cents. The luncheon will be served from 11:30 to 1:15, catered by Mack Eplen's of Abilene.

At the program and business meeting in the auditorium at 1:30 p.m., the Hamlin High School stage band will be a part of the entertainment.

Two Days Rain Brings 1.22 Inches

Rains that started in the early morning hours Monday morning and continued through Tuesday brought 1.22 inches of moisture.

The rainfall was .34 on Monday and .88 Tuesday.

The slowly falling rain soaked into the dry earth leaving little run off to reach the tanks and lakes. The creeks out south of here that flow into the South Lake were not running Tuesday.

Entries in the parade to be held downtown at 11 a.m., Oct. 16 must be in by Friday noon, Oct. 15.

In addition to the divisions announced last week there will be a bicycle division. First prize will receive \$250; second, \$150; and third, \$100. Passes to the Rogue Theatre will be given to all participants.

Windows are being decorated this week by Mrs. Jack Vaughan and Mrs. Burt Oliver, chairmen.

Pictures of the deceased ex-students and teachers will be displayed at the Hamlin Herald. Pictures are to be taken to the Herald by Friday, Oct. 8.

Local P-TA to Launch Herald and Magazine Subscription Drive

The Hamlin Parent-Teachers Association will launch the annual magazine drive here Friday, Oct. 15 and will include this year the sale of subscriptions to the Hamlin Herald.

The magazine drive is one of only two income producing projects that the P-TA has during the year. The other project is the membership drive held in September.

Each year the money received is spent on various worthwhile projects. These include the following annual projects: a \$75 allocation to the First Aid room for purchasing all linens and disposable needles, and other first aid needs; \$90 goes to the milk fund which provides milk twice daily to each student in the first three grades at no cost to the student; \$2 per month to room coat winner; awards for membership drive and magazine sales winners; and a \$28 Life Membership award.

Additional projects during the past years have included the purchase of a portable overhead projector and an opaque projector; an Autoclave to sterilize the instruments and first aid supplies; an Auto-Harp for the Public School Music Department; placed caution signs at intersections; purchased playground equipment and bicycle racks; and donated to the Boy Scout Building Fund, West Texas Rehabilitation Center and helped with the Mothers March of Dimes.

During the 1964-65 school session \$375 was paid on the cost of placing air conditioners in the primary building.

The students in junior high will be securing subscriptions to magazines through the Quality School Plan and subscriptions to the weekly newspaper, The Hamlin Herald.

The primary and elementary students will take subscriptions to the Herald.

The P-TA receives commissions from all sales and the students will be presented prizes according to the number that they sell.

STUDENTS SCORE IN TOP 10% — The above students have been recognized for high performance on National Educational Development Tests taken this spring. Certificates will be awarded to them in recognition of their achievement of being in the top 10% in the nation. The students, left to right, and their parents are Shirley Peace, Mr. and Mrs. L. M. Peace, Randy Smith, Mr. and Mrs. Floyd Smith, Revonna K. Robertson, Mr.

and Mrs. Revis Robertson, Randy Morgan, Mr. and Mrs. W. W. Morgan, June Hill, Mr. and Mrs. John C. Hill, Tommy Oliver, Mr. and Mrs. Burt Oliver, and Libby Shultz, Mr. and Mrs. Douglas P. Shultz. The NEDT test is given to Freshmen and Sophomores prior to their taking the National Merit Scholarship Qualifying Test which is given to junior students.

Denison Willson Lectures Set Oct. 11-14 At McMurtry

The Denison Willson Lectures will be held at McMurtry College October 11-14. Bishop O. Eugene Slater will be the Denison lecturer on Evangelism.

Dr. Douglas Jackson of Perkins School of Theology will be the Willson lecturer, speaking on the theme, "Toward a Christian View of Power and Authority."

Dr. Paul W. Hoon, professor of Pastoral Theology in Union Theological Seminary, New York City, will give four lectures on worship.

Dr. Howard L. Ramsey, dean of the faculty at McMurtry, will lead a Bible study during the Pastor's School. Discussion groups are scheduled to follow the lectures. Laymen and Ministers from all of the Conferences of Texas and New Mexico are invited to attend the lectures.

Registration will begin at 1 p.m., Oct. 11 and the first Bible study will begin at 1:45. A Communion Service is being planned to open the second day of activities. Mr. Francis Hinkle of McMurtry will give an organ concert on Wednesday night.

The public is invited to attend any or all of these lectures.

J. E. "Runt" McCoy has some good cotton for this year especially east of his barn, on some sandy land. In 1963 Runt planted this field to maize and fertilized it. In 1964 he planted the field to blackeyed peas. The good crop rotation is paying off on his cotton this year. The field is also full of ladybug beetles.

W. J. "Jag" Kemp sprayed 170 acres of shin oak in the spring of this year. It is looking good at this time. Next spring he will spray the shin oak again. We have found that to get good control of chene oak it is necessary to spray for two consecutive years.

Johnny Bryant planted some sideoats grama on Mrs. Hackley's farm this past spring. He planted the El Reno variety of Sideoats. This is a variety that has been found to produce good quality grazing.

Garth "Mac" McCallum and Weldon Johnson stopped by Willard Mayberry farm. Willard was fertilizing his coastal Bermuda with 80lbs. of 45 percent Urea fertilizer. Willard planted his 8 acres of Coastal this past spring. He has already cut the grass 3 times this year. Weldon Johnson is interested in getting a waterway established to coastal.

We have found that if the land is suitable for Coastal Bermuda and with outside water, Coastal is one of the better grasses to plant in is being grazed, cattle should waterways. If Coastal Bermuda is being grazed, cattle should be re-moved and a growth of atleast 6 in. to 8 in. should be allowed to store plant food in the roots before winter.

Elmer Joiner received word last Monday that his brother, Sonny Joiner, of San Antonio, would have surgery in Baptist Memorial Hospital, in that city, Tuesday morning, Oct. 5. Mr. and Mrs. Henry Kee came down Saturday night and spent the night. Mrs. Kee going with the Joiners to San Antonio Sunday morning. Mrs. Kee will stay with her "little brother" until he recovers enough to either come home with her, or stay alone.

So maybe if all goes well with the brother-in-law, maybe I will have more news next week, may even tell you of our experiences in getting around in the big city. Am sure we will have some, for have never tried to get around in San Antonio and it looks very complicated, but heres hoping we make it safely and find our way back to our little town.

Uncommonly good cooks use modern gas and the Burner-with-a-Brain

The automatic Burner-with-a Brain holds temperatures exactly as you set them. Every pot and pan becomes an automatic appliance. Foods won't burn. Other unique advantages of a gas range: Cook 'n' Keep Oven — which cooks perfectly then holds foods serving-hot for hours without over-cooking; automatic roast thermometer; self-basting rotisserie; temperature-controlled griddle. And with touch-conscious gas you are in control always. (There are a 1001 different settings on a gas range.) YEARS AGO...

50 YEARS AGO

October 8, 1915

Work began Monday by D. J. Payne and Foreman on the lot just north of Payne's store. Here they are laying the foundation for a business house the entire length of the lots. When the building is finished it will be used by Mr. Forman for an up to date picture and theatre house. Other buildings to go up at once will be built by B. S. Ferguson on the lots between the Hamlin Hotel and the City Bakery. Here he will build a house 50 by 100 feet of brick using the latest styles of architecture. N. Y. Wilson will extend the Guilbert and McMahon building the entire length of his present house.

Hamlin is a safe place to make investments. It has proven its power to hold up splendidly during the dry years. It is surrounded by a fine agricultural country, and its railroad outlet is ample now and will be better in the future.

H. A. Dolman left Monday to buy his stock of Christmas goods. He left for the Dallas market with the aim to buy the largest stock that he has ever purchased. This is a good index to Hamlin Country.

Miss Ollie Terrell of Eddie, Texas is here with some fine specimens of her oil paintings. They are on display at Gilbert & McMahon's Jewelry Store.

Cotton picking has gone up to 75 cents per hundred. The wet rainy weather is bad on cotton pickers and is damaging some cotton, causing it to rot in the bolls.

Woolen Dress Goods in all the new shades, especially priced 30 cents, 49 cents, 69

cents, and 98 cents Yard at Pool-Whittington Co.

Hamlin voted for a new city hall. Perhaps never before did Hamlin have a bond election when the voters took as little interest as on last Tuesday when a \$12,000.00 bond issue was overwhelmingly accepted.

Wednesday Hamlin Rotarians had the rare privilege of a visit from District Governor, Frank Roberts, of Breckenridge.

(Editorial)

Good Sportsmanship -- What is good sportsmanship? In reality good sportsmanship is principally a state of mind formed as a result of doing one's best while losing and being modest or complimentary as the occasion demands.

A real sport is a fellow that compliments his beaten foe, and is not inclined to boast or swagger over his success. This however, while losing and being modest is the simpler part of sportsmanship. The true quality is more often shown when the loser pats his winning opponent on the back, congratulating him, smiles, and loses gracefully. This type of person is rare, but is an associate well worth having.

Courage, and self control are two essentials of good sportsmanship. It takes a fellow with real courage to congratulate his victorious opponent. Self control - consider the word. It is nothing but natural for a person to wish to win. When one's wishes are thwarted, there is an inclination to lose one's temper leave the field in disgust and vow that your opponent was lucky.

New Styling for '66 Ramblers

Rambler Classic station wagons for 1966 have new roofs and tailgates, are longer, and provide more cargo space than in 1965. Overall length has been increased from 193 to 195 inches, and cargo space has been hiked to 83 cubic feet, an increase of three cubic feet. The new tailgate is easier to open, while the exclusive side-hinged door is offered as an option and included with the three-seat option. All 1966 American Motors cars will go on public display October 7.

self control, if in the possession of the loser, enables him to restrain from such ungentlemanly actions.

The acquisition of good sportsmanship requires untold effort. A firmly restrained find is necessary to withhold one's temper and prevent one's making a spectacle of himself. Not only is this effort necessary, but practice is also essential to the mental make-up of a good sport.

Good sportsmanship yields its dividends in friendships formed and individual prestige. The crowd loves a winner, but it also loves a gracious loser.

Major Damage at Gas Plant averted by Hamlin Firemen. Fast and capable work by members of the Hamlin Volunteer Fire Department was credited with avoiding a major holocaust at the gasoline and chemical plant of General American Oil Company (formerly Round Top Oil Company), eight miles west of Hamlin Thursday. Lightning struck a still tower twice violating the rule of lightning never striking in the same place - and set fire to the stand of chemicals. The firemen were on the job within a few minutes after the alarm was given, and after an hour of fighting had the fire under control.

Dedication ceremonies of the new recreation and educational building of the Hamlin Church of the Nazarene will be conducted Sunday afternoon. Rev. Orville Jenkins of Abilene, district superintendent, will be in charge of the dedication service. 200 ex-students indicate that they will attend Homecoming.

Rains totaling 7.44 inches have been officially recorded at the government gauge since Sept. 24. It had rained every day for six days and all three Hamlin lakes were full.

We Won! We Won! We won by golly we won! I told you we would; we showed you we could; we won by golly we won! And we did win! The Pipers won their first district game against the Stamford Bulldogs with a score of 7 to 0. Let's keep backing our team and have another victory over the Ballinger Bearcats this Friday night!

The Spanish Club met Tuesday night and elected officers for the year. They are Jim Kincaid, president; Jane Ferguson, vice president; Linda Legan, secretary. Phyllis Rackley, reporter; Reba Jackson, pianist; and Jan Albritton, song leader. After electing officers, everyone played games and sang songs. The club has many interesting and exciting events planned for this year. Sponsoring the Spanish Club is Mrs. Charles Scott.

Everyone is beginning to get ready for Homecoming. Several committees in different classes have met to plan their floats. Let's all cooperate and work, and try to make our Homecoming this year a memorable one.

Test Your Fall Fashion Score

Want to discover if you are hep to the latest fashions for the fall season? Then we suggest you check off the new from the old in this informative fashion game:

- lots of bulk in fabrics, in tweed and mohair.
- Smooth stocking, or the no-stocking look.
- Mixing checks, dots and stripes.
- Lace and frills down to dark.
- Rich, wonderful colors in foundations; wearing red under black, or sun-glo under green.
- Boots and low heeled shoes.
- For evening, fashions that plunge either in front or back or are off one shoulder.
- Pleats.
- Sleeptwear to match lingerie and foundations.
- Loving the natural 1930 look from blonde curls to beige body shapers.

If you checked ideas three to ten, your fashion score couldn't be higher. If you included one and two, you need a quick brush-up on what's in the fall fashion scene.

Fabrics are smoother this season. Looking bulky and hidden is OUT. Having the lines of your figure well defined but not restrained is IN.

Emphasis in dresses and suits are on whip cords and twills. Zaniest of all are the new Op art designs on frocks. Stockings are daffier than ever with designs and textures that play up the leggy look.

The Mod look continues to bring us lace and high waistlines, in a zippy combination of modern and Victorian.

In the private eye of fashion, black is back and nude is the new basic, but the daring dressers are turning to cherry reds and sunglo shades.

According to Gossard-Antoinettes, designers of intimate apparel to the couture world are finding inspiration in the 1930's so this fall let yourself go feminine.

House Bill 73 Limits Landowners Liability

The most recent piece of Texas legislation that applies to outdoor recreation is House Bill 73. It became effective on Sept. 1, 1965, says County Agent Kirby Clayton.

The Act limits the liability of any owner, lessee or occupant of real property who gives permission to another person to enter his "premises" for purposes of hunting, fishing and or camping. The word "premises" in this case means lands, waters, water courses and private ways including all buildings, structures, machinery and equipment.

House Bill 73, says Clayton is designed to encourage land uses for hunting, fishing and or camping that are non-commercial.

General Crude Wins Award

General Crude Oil Company, Houston, has been selected for a first place award for having issued the best stockholder annual report for petroleum companies with assets under \$200 million in the Twenty-fifth Annual Report Survey sponsored by "FINANCIAL WORLD," national weekly magazine. Symbolic of the achievement, the company will receive one of the Oscar-of-Industry trophies on Tuesday evening, October 26, at a banquet in the New York Hilton Hotel.

Approximately 5,000 annual reports were reviewed in determining the winners for 97 industry classifications in the 1965 competition. In the small petroleum classification, Hudson's Bay Oil and Gas was runner-up for the award and Western Decalta Petroleum placed third.

Mr. and Mrs. John Lee Barnett, Beverly and David of San Angelo and Mr. and Mrs. Kenneth Barnett, Mike, Belinda, and Chris of Abilene were week end visitors with their parents, Mr. and Mrs. John Barnett.

The Giant-Killer Rides Again!

American Motors Challenges the "Big 3" of Detroit—With 4 New Lines of '66 Cars that Give the Public What it Wants.

Last time it was size. This time? Quality! Quality that's built in—not added on. The promise: more built-in quality features at no extra price.

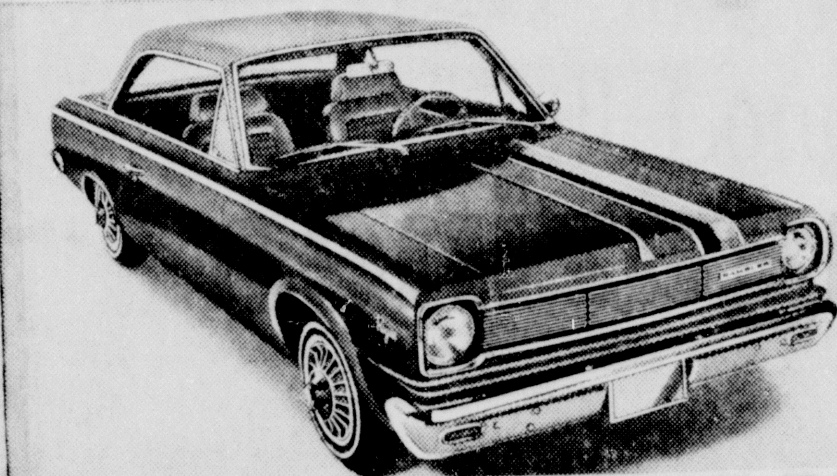

Remember when American Motors came out with the trim little Rambler and knocked the Detroit "Giants" on their collective ear? Overnight, big fins and fat land yachts went out of style. American Motors came along with the right cars at the right time and caught the competition napping. This year, almost half the automobiles sold are Rambler-size cars.

Round one to the "Giant-Killer." What next? For '66, American Motors again gets the jump on the big boys with a new rallying cry: Quality! A new kind of quiet quality that is built in as standard equipment on every car in the line.

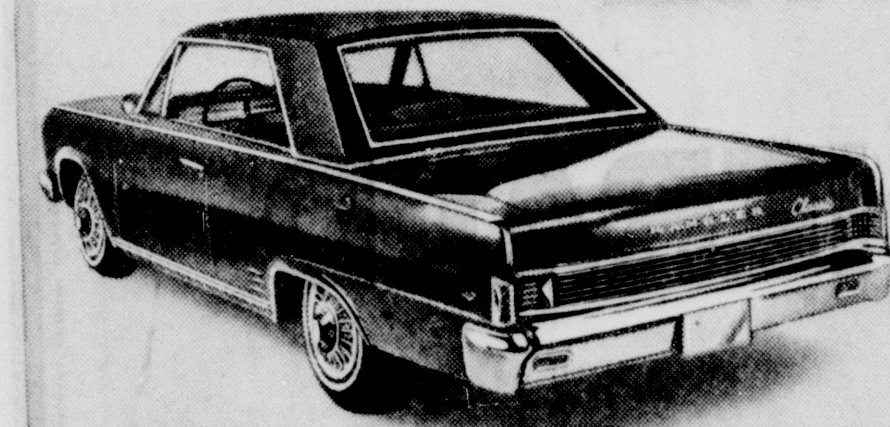

This is the American Motors credo. Quality that's built in—not added on. First, determine what has to go into a car to make it stronger, safer, more dependable, more luxurious. Then put it there. Regardless of cost. Build it in.

Ready to be convinced? Ready to be surprised? Check this page for a preview of the 4 sleek challengers. New cars. New names. Then admire the styling of these exciting new cars. When you have finished, please get on your horse and go to the friendly Giant-Killer in your town, your American Motors/Rambler Dealer.

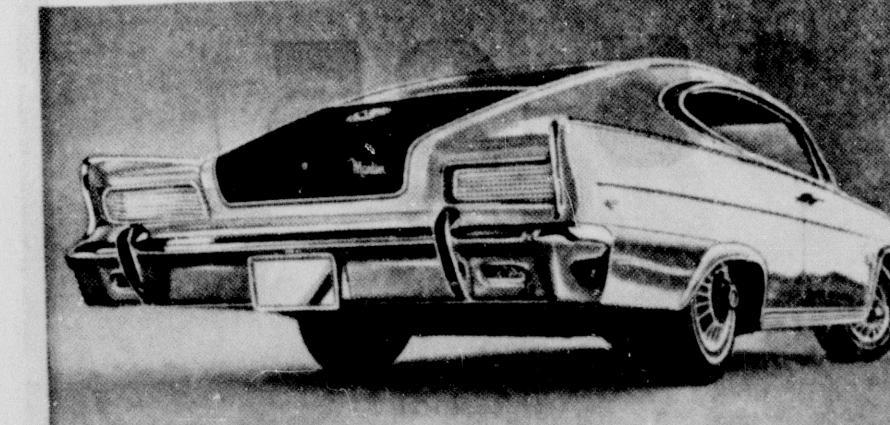

TV PREMIERE THURSDAY NIGHT! See the new American Motors '66 cars on "The Andy Griffith, Don Knotts, Jim Nabors Special," CBS-TV, October 7th

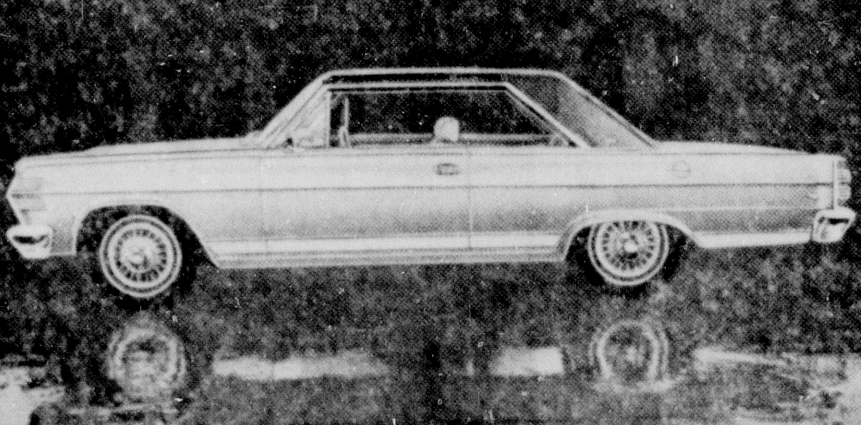

ROGUE: new razzle-dazzle Rambler. Outperforms every other car in its class (with standard engine). "Do Rogues really come with rally stripes?" "No, but with the big new engine they drive that way." '66 Rambler American Rogue here October 7th.

REBEL: new roomy, zoomy Rambler. Doesn't cramp your style, or your legs, or your family, or your pocketbook. Think you know a Rambler when you see one? Think again, look again. See the '66 Rambler Classic Rebel at your friendly Giant-Killer's, October 7th.

RAMBLER '66 by American Motors. Full-size, family-size sports fastback seats 6—in comfort. (Even with bucket seats.) Flip down the front and rear armrests and turn your Marlin into a 2 + 2. Don't miss it at your friendly Giant-Killer's on October 7th.

AMBASSADOR DPL by American Motors. Now you can have your first luxury car while you're still young enough to enjoy it. Coil-spring seats like Cadillac. Double-Safety brakes like Cadillac. Price? Like Impala, Fury, Galaxie. Be sure to see it October 7th.

Albritton-Buie Vows Exchanged Saturday

Wedding vows were exchanged by Dorothy Melinda Albritton and Ronald Paul Buie of Monahans in double ring ceremonies read here Saturday evening at seven o'clock in the First Baptist Church.

Parents of the couple are Mr. and Mrs. W. Henry Albritton and Mr. and Mrs. Dick M. Buie of Rankin.

The vows were read by Rev. Byron Bryant, pastor, as the couple stood before a background of palm trees. Candle trees with votive cups and bouquets of white gladioli completed the setting.

Jan Albritton, sister of the bride, was soloist. Organist was Judy Fitzgerald.

Mrs. Joe D. Cowan of Dallas was matron of honor for her sister, Legena Weaver was bridesmaid.

Jerry Buie of Lovington, N. Mex. brother of the bridegroom, was best man. Larry Simpson of Rankin was groomsmen.

John Ferguson and Larry Ridgeway of Abilene, cousin of the bridegroom, were ushers.

The bride, given in marriage by her father, wore a princess-line gown of delustered satin designed with long tapered sleeves and scoop neckline accented with pearls and re-embroidered alencon lace. Appliques of alencon lace were used on the detachable chapel train. Her crown of pearls and iridescents held a veil of illusion.

She carried a cascade of stephanotis centered with a white orchid.

The attendants' dresses of emerald green peau de soie with elbow length sleeves and bell shaped skirts were worn with matching Dior bow headpieces. They carried nosegays of white chrysanthemums.

The reception was held in the Fellowship Hall.

The table was covered with a white cutwork cloth belonging to the bride's grandmother. Mrs. W. A. Albritton. The centerpiece was of chrysanthemums. Crystal appointments were used.

Mrs. Jerry McDaniel Hosts Calvary Baptist WMA Mon.

The Calvary Baptist Women's Missionary Auxiliary met for their monthly business and fellowship Monday night, Oct. 4, in the home of Mrs. Jerry McDaniel.

The program for the evening was a talk by Mrs. L. B. Bruner entitled "What Will the Harvest Be" followed by the reading "Here Am I."

Mrs. Dan Branscum dismissed the meeting with prayer.

The next monthly business meeting will meet with Mrs. Willis Alis, Nov. 1.

Mrs. Byron Bryant Presents Program For WMS Meeting

The Woman's Missionary Society of the First Baptist Church met Tuesday at 9:30 a.m. in the chapel for the first meeting of the current year.

The prayer calendar and prayer thought were read by Mrs. Bill Keck.

Mrs. Byron Bryant presented the program, "Proclaiming through Woman's Missionary Society." She was assisted by Mrs. Bill Shira, Mrs. Joe Wayne Carter and Mrs. Dickie Wallace.

Officers for the new year were recognized and then a prayer of dedication was led by Rev. Byron Bryant, pastor.

Mrs. Carl Young presided during the business session.

Reports of planned projects were given by the various committees were given.

Mrs. Young gave the closing prayer.

Circle meetings will be held Tuesday.

McBride Circle Hosts General WSCS Meeting

Members of the McBride Circle were hostesses for the W. S. C. S. October general meeting and luncheon held at First Methodist Church in the Fellowship Hall Tuesday.

Mrs. Glenn Simons introduced the Bible study: "Acts: Then and Now." She stressed the fact that the book of Acts of the Apostles is a call to action under the guidance of the Holy Spirit. The study not only presents a history of Christianity but also presents the responsibilities of the Church today.

Mrs. L. C. Bonds will lead the next session of study Oct. 12 from 9:30 to 11 a.m. at the church.

Mrs. Bill Davis presided during the business meeting.

Twenty-four members and two visitors, Mrs. Richard Flynn and Mrs. Ray Brown, were present.

Phebean Class Installs Officers Friday Morning

The Phebean Class of the First Baptist Church met Friday morning in the home of the president, Mrs. Orville Waymire, for the installation of officers.

Mrs. May Young, vice president, opened the meeting with prayer and presided for the business session.

Mrs. Tom Routh, former teacher of the class, installed the officers using Pandora's box as her theme. She made a flower arrangement for each officer.

Present were Meses. W. E. Roberson, W. R. Perryman, Young, Waymire, Johnny Wood, J. A. Williams, Thomsy Young, J. C. Lain, and Johnnie Agnew.

Fisher County Baptist Association To Meet In Roby October 11-12

The four Associations of Baptist Double Mountain Area: Fisher, Haskell-Knox, Jones, and Stonewall-Kent; will hold their annual meetings in October.

Fisher County Baptist Association will meet October 11-12 at the First Baptist Church in Roby. "Faith in Action" will be the theme of the meeting. The October 11 session will begin at 7 p.m. on Monday night. Program personalities for this meeting will be George McBeth, layman of Highland Home Baptist Church; Horace Carter, layman of Cross Roads Baptist Church; Billy Hudnall, pastor of the First Baptist Church of Rotan; George McDonald, layman of the First Baptist Church of Rotan; Harold Churchill, pastor of the Highland Home Baptist Church; Mrs. N. I. Williams of Lueders Baptist Encampment, and the First Baptist Church of Lueders; and Norris Taylor, pastor of the First Baptist Church of Roby, who will bring the

annual sermon.

The Tuesday, October 12, session will begin at 9:15 a.m. with a worship service directed by Billy Hudnall. Program personalities will be: R. D. Harris, pastor of the Calvary Baptist Church of Rotan; D. S. Moore, Jr., Moderator of the Association and pastor of the Cross Roads Baptist Church; Mrs. Walter Byrd, Associational Woman's Missionary Union President and lay-worker of Cross Roads Baptist Church; Carrol Green, pastor of Sylvester Baptist Church; Bob Stokes, former pastor of Hillcrest Baptist Church of Rotan; Norris Taylor, George McBeth, Gary Clark Associational Clerk and pastor of the McCaulley Baptist Church; Dr. William O. Beazley, Director of Student Life and Admission at Hamlin-Simmons University, who will speak on "Faith in Action" Through Christian Education; and Eugene Greer, program analyst with the Baptist General Convention of

Belvedere Is Completely New For 1966

The intermediate size Plymouth Belvedere for 1966 has a wholly new appearance, major chassis improvements and a wide range of optional equipment. A production version of the famous 426-cubic inch hemispherical head V-8 engine will be offered in 1966. There are six Belvedere body types and 18 models. Shown here is the Satellite two-door hardtop. Sedans, hardtops and convertibles will have a 116-inch wheelbase, and station wagons a 117-inch wheelbase. Fully unitized bodies with curved glass windows and fresh body lines make the new Belvedere look longer and lower than its 1965 counterpart. The standard V-8 engine in the Belvedere series has 273 cubic inch displacement with a two-barrel carburetor. Other engine options besides the 426 "hemi" are the 318 and 361-cubic inch V-8s using regular fuel, and a high performance version of the 383-cubic inch V-8. Safety features include a new type of inside door handle, and new power brake boosters.

HAVE YOUR ORDER READY WHEN STUDENTS CALL

OLD GLORY...

By Judy White
Date of Coronation ceremonies for the Old Glory Yearbook Queen and Princess has been set for Saturday night, Oct. 30. The event will be planned and sponsored by the Yearbook Staff.

The Senior Class candidate for the Yearbook Queen is Rhonda Baitz, she will be escorted by Marvin Valen-Kemp; Judy White, the Junior Class candidate will be escorted by Joe Mack Boles; Brenda Palmer, freshman, will be escorted by Kenneth Jones. Old Glory does not have a sophomore class this year, therefore no candidate from that class.

In the race for grade school princess, Regina Letz, representing the 7th and 8th grades, will be escorted by Robert Joiner; 5th and 6th grades candidate, Cynthia Boles, escorted by Russell Letz; 3rd and 4th grades, Beverly Neumann, escorted by Sammy Henderson; and 1st and 2nd grades, Debra Teichmann will be escorted by Scott Bridges.

Winners in both the queen and princess races will be featured in the Favorite Section of the school's 1966 annual. Later announcements will give the place, hour and other details of the coronation.

4-H Clubs Elect Officers
Old Glory Community 4-H Clubs met last week to elect their club officers for the 1965-66 year.

The senior club, meeting on Tuesday, selected Marvin Valen-Kemp for their president. Judy White is the vice-president; Judy Sander, secretary-treasurer; Reva Letz, reporter and recreation leader. Adult leaders are Mrs. Bernice White

and Mrs. Anita Valenkemp. Regular meeting dates for the club this year will be on the first Wednesday of each month. Mike Baldree and Marvin Valenkemp will give a demonstration for the club Nov. 3.

The junior club met on Wednesday afternoon to elect their officers and named Russell Letz as their president; vice-president is Dale Letz; secretary, Linda Palmer; treasurer, Regina Letz; reporter, Patty Bradshaw; and recreation Chairman is Carol Palmer.

The junior club will sponsor a bake sale in front of Rhoads Grocery on Oct. 13. Each Junior 4-H member is asked to bring two items to sell. They have announced there will be no outside orders.

Variety Club
The Old Glory Variety Club met on Tuesday of last week in the home of Mrs. Beno Herttenberger for an all day quilting party and covered dish luncheon. Eleven members and six visitors were present. Visitors were Mrs. Irene Flowers of Stamford, a former member; Mrs. Ben Dudensing; Mrs. Delos Callicoate, Mrs. Tillie Dippel, Mrs. Herman Letz, Mrs. Louise Spradling who is from Waco.

The next meeting will be held in the home of Mrs. Garrett Spitzer Tuesday, Oct. 12.

Mr. and Mrs. R. M. Crabtree of Plainview were visitors in the home of Mr. and Mrs. R. O. Gibson recently. They were enroute home from Tampa, Fla. where he had attended World War I Veterans Convention. Other visitors in the Gibson home were their daughter, Mrs. Donna Schurlock and daughter and Mr. and Mrs.

New-Style Cab Leads

'66 Chevrolet Truck Line Features

New in Chevrolet's 1966 truck line is this short cab for many heavy-duty models. Aerodynamically styled for low air-resistance, its short length gives improved load-weight distribution, yet retains adequate driver room and comfort. Many panels are easily removable for access to

the chassis or for damage replacement. Other features of the 1966 line include a new three-ton series with payloads up to 17 tons, six new engines, a three-speed automatic transmission, and several safety items as standard equipment. The line has been expanded to 366 models.

Bobby Dickerson, all of Stamford.

Linda Gholson, student at Odessa College, was home last weekend visiting her parents and brother, Mr. and Mrs. Cliff Gholson and Clifford. She spent Saturday night with Mrs. Bernice White and Judy.

Mrs. Katie Gerloff and her sister, Mrs. Louise Spradling of Waco visited their brother and wife, Mr. and Mrs. Emil Herttenberger, in Paducah last week. They also visited in Lubbock with their sister and husband, Mr. and Mrs. Roy Wienke, and Mrs. Gerloff's son and wife, Mr. and Mrs. Eugene Gerloff, and other relatives and friends.

Mrs. Martin Reifer and Mrs. Fred Spitzer of Haskell visited in the home of Mrs. W. G. Wienke last Sunday.

Visitors in the B. R. Johnson home last Sunday were their son and family, Major and Mrs. Glen T. Johnson and children of Wichita Falls, also, Gene Linder of Abilene.

Mrs. J. C. King of San Angelo was here last week visiting her sister and husband, Mr. and Mrs. Lynn Flowers. WEDDING DATE SET Mrs. Norma Jean Lehrmann

SYLVESTER NEWS...

By Mrs. R. M. Babb
At this writing it is sprinkling rain, don't think the farmers really need it but we aren't going to yell too loud.

R. T. (Uncle Bobby) Jones is slightly improved but is still sick.

The L. C. Browns are driving a pretty new green Chevrolet, they drove down to Miles to see Betty and family on Saturday.

Kenneth Douglas and family of Lamesa spent the weekend with his parents, the Ross Douglasses and Caroline's parents in Hamlin.

The W. B. Browns and R. M. Babb were in Sweetwater on Saturday.

Visiting in the W. B. Brown

of 3603 Granada Drive, Fort Worth, will be married to Do-herbert Clayton of 3817 Ryan Ave., also in Fort Worth, at 8 p.m., Nov. 5, in Peace Lutheran Church in Hurst. Parents are Mr. and Mrs. Louis Spitzer of Old Glory and Mr. and Mrs. Roy U. Clayton of Fort Worth.

home Sunday were the Jerry Prather family of Sweetwater.

A get together at the Baptist parsonage on Thursday night for the Young Married people was attended by the following: Mr. and Mrs. Butch Scott, Mr. and Mrs. Don Campbell, Mr. and Mrs. Thurman Mauldin, and Mr. and Mrs. Lavoie Dickerson.

Cadet Lee Lanning and some of his classmates stopped by on their way Saturday to the football game in Lubbock between A & M and Texas Tech. Sad wasn't it?

There are several cases of the "sniffles" but maybe this weather will soon make up its mind and go either hot or cold!

It has been a quiet week in Sylvester.

Mr. and Mrs. O. D. Scott of Wichita Falls visited his brothers, Gene Scott and Back Scott over the week end.

McCAULEY SCHOOL NEWS—

FROM THE EAGLE'S BEAK

Barbara Griffin
Rachel Miranda
Ann Kemp

The doors of McCauley school opened Monday to a busy week in the activities of McCauley students. Plans and preparations for the annual pep squad hamburger supper were made. Tuesday the members of the pep squad sold tickets after school and final tasks were performed. The football field lights burned late Tuesday as the eagles prepared for the bout with the Lueders Pirates Friday.

The FHA had a get acquainted party Wednesday night. Barbara Griffin, president, quizzed the officers: Ann Kemp, Jeanne Acklin, Lana Acklin, Linda Spaulding, and Carol Griffin. This let us all know how we stood on knowing about FHA and its functions. Jeanne Acklin led us in a number of songs that she learned at the leadership lab in Lubbock. Cookies and soda pops were served. The new members: Bobbie Kirby, Debbie McCright, and Charlotte Griffin seemed to enjoy the meeting very much.

Also visiting with us were Mrs. Fred Kemp, Mrs. William McCright, and Mrs. Barbara Law, sponsor. It was announced Ann Kemp would be in charge of the program for next month on FHA Degrees of Achievement.

Those hamburgers sure smell good! was the cry at the Jr. High Game Thursday. The spirits of the McCauley folk were high. For not only were they well fed, but the Junior High sacked up their fourth win of the season to remain undefeated. "District here we come!"

The High school game looked dim at first but with the pep of the boys and fans we won 44-38. The anxiety of all, arose as Lueders raced past in the last quarter. However, the Eagles poured on a great comeback. Ronnie Jeffrey advanced for a touchdown in the last 6 seconds of the game, reaching his goal just as the clock ran out. There was a very happy crowd at McCauley as the victory bell tolled its first home win of the season.

son. The future looks bright for more victories for M. H. S.

After the game, the rest of the hamburgers were sold. This was also a great victory for the pep squad. Our thanks go out to Jerry Crowley for donating the meat, Charlene Maberry, Mrs. William McCright, and Mrs. A. R. Griffin for cooking the hamburgers. We are also grateful to the many others who gave their time and energy to make our hamburger supper successful.

We regret to say there was one casualty during the game Friday. It seems the fans kept getting tackled. As a result Mr. Ed Gibson received a broken leg. He was due for surgery Saturday morning at Hendrick Memorial Hospital. We all hope he recuperates nicely and will be back, to back our team very soon. So to Mr. Gibson, the students of

McCauley High say, "Please hurry and get well."

After a full week of activity, we not so anxiously await the coming week when that familiar but not so welcome time rolls around -- Six Weeks Exams.

Jimmy Wainscott Finishes Course

Wichita Falls, Tex. -- Airman Third Class Jimmy M. Wainscott, son of Mr. and Mrs. George Wainscott of Rt. 1, Hamlin, Tex., has been graduated from the technical training course for U. S. Air Force jet engine mechanics at Sheppard AFB, Tex.

Agent Suggests Practices to Help Control Cotton Insect Populations

Early cotton harvest — immediate stalk destruction and plowing under debris reduces boll weevil, pink bollworms, boll worm and tobacco budworm populations, says county agent, Kirby Clayton. These practices says Clayton, force the boll weevil into starvation before time to enter winter quarters, prevents late season build up of weevils and other insects.

The addition of .5 lb. of Methyl Parathion or .25 lb. of Guthion per acre to Arsenic Acid or Phosphate type defoliants has proved beneficial in reducing potential overwintering boll weevil populations. However, ground applicators should take precaution and use protective clothing when applying these insecticides. Respirators should be worn during stripper harvesting where arsenic acid and methyl parathion are used in desiccating the cotton. The agent cautions producers not to use methyl parathion or guthion in clerate type defoliants or desiccants.

Applying cotton burs to the land between crops protects land against erosion and when the burs are turned under an increase in the yield lint in the next cotton crop usually results says Jones County agent, Kirby Clayton. Successive yearly application on the same land are more profitable than applications on a different area year.

Lint yield increases were not produced during the first

two years that burs were applied. The third and successive applications through a five year period produced the greatest increases. This indicates that a farmer should not apply burs one year only and expect much of a lint yield increase. It is possible that a decrease in yield may follow a 10-12 ton application of burs if no nitrogen is added to help decay the material.

Addition of 2, 4, and 6 tons of burs per acre produced the following increase in lint yields at the Lubbock Station:

No burs added	528 lbs.
2 tons burs added	533 lbs.
4 tons burs added	688 lbs.
6 tons burs added	743 lbs.

These tests were run during 1952-57 at the Lubbock Experiment Station.

For further information contact your local county agricultural agent.

Jimmy Inzer Wins Promotion

The Commandant of the New Mexico Military Institute, Roswell, New Mexico, has announced the promotion of fifty six officers and noncommissioned officers of the Cadet Corps for the ensuing year. Among these newly appointed cadets was Cadet First Lieutenant J. S. Inzer, son of Mr. and Mrs. James S. Inzer, 615 N. W. First Street. STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin. — A governor's committee soon will embark on the most-ambitious effort yet undertaken in Texas to find what's wrong with the public schools and to make them better.

Governor John Connally rapidly is completing appointments to his 15-member committee on public school education which was authorized by the 59th Legislature. It is expected to be in operation within the next month.

Activities, to a large extent, parallel those of the earlier Governor's Committee on Education Beyond the High School which probed needs of higher education. However, this new assignment necessarily is more massive.

A three-year study of the public school system and formulation of a long-range plan to make Texas "a national leader in educational aspiration, commitment and achievement" was directed by the

Legislature. Connally insisted the study requirement be made a part of the school teacher pay act of 1965.

State financing to the tune of \$100,000 this year and \$15,000 next year is provided for -- with additional funds expected from federal sources.

Every state agency and institution and all state and local school officials are directed by the Legislature to cooperate with the committee in a "pervasive inquiry into every facet of Texas public elementary and secondary education."

Meanwhile, the Coordinating Board for Texas Colleges and Universities -- a product of the earlier higher education study -- has set October 18 for its next meeting here. Session will be the powerful board's first chance to get down to planning for higher education needs since its organizational meeting September 20.

Attorney General Rules -- A person placed on probation for first-offense driving while intoxicated is not subject to automatic suspension of driver's license, Atty. Gen. Waggoner Carr has ruled.

In an opinion requested by Fort Bend County Atty. R. A. Stallings of Richmond, Carr concluded that since a probation sentence is not a final conviction, there is no automatic license suspension. If probation is revoked and judgment becomes final, the license would be suspended at that time, Carr said.

Opinion settled widespread speculation on terms of the new Misdemeanor Probation Law.

In separate opinion, Carr held a newspaper printed by

contract and mailed in one county for distribution in another county legally is eligible to publish Constitutional Amendment advertising. Secretary of State Crawford C. Martin requested the opinion, referring specifically to the Granado Tribune, circulated in Jackson County, but printed and mailed in Lavaca County.

Permit Cancellation Sought -- Colorado City and Mitchell County filed suit in 53rd District Court in Austin to cancel the permit for the Robert Lee dam project on the Colorado River.

Contention is that it precludes the construction of a dam to supply Mitchell County needs and hurts their hopes for future development.

Dam Permit on Nueces -- An application has been filed with the Texas Water Rights Commission for a proposed dam on the Nueces River at the Smyth Crossing site in the Zavala-Dimmit Water Improvement District No. 1.

Application proposes a reservoir of 66,670 acre-feet at normal spillway level, 164,350 acre-feet at service spillway crest. A slow release of flood waters is proposed.

Reservoir Refused -- Texas Water Rights Commission denied application for \$4,750,000 reservoir on Village Creek near Kountze in Hardin County.

Commission acted after opponents testified the project would mean an added tax burden of \$308,992 a year for property owners in the southeast Texas area and that water which the dam would add 33,000 acre feet of impound will not be needed for more than 30 years.

Advocates were advised they could reapply for creation of a district empowered only with making surveys to determine feasibility or to develop plans for a water supply program if desired.

Appointments Announced -- Glenn Biggs, Abilene realtor, now is executive administrative assistant to Speaker of House Ben F. Barnes.

Biggs' main responsibility will be management of activities involving interim legislative committees and implementing work of Texas Legislative Council, research arm of the Legislature.

Barnes also appointed five lawmakers to the important committee to study criminal law revision. They are Reps. Dudley Mann of El Paso, Walter Knapp of Amarillo, Rayford Price of Frankston, Joe Shannon of Fort Worth and Jack Woods of Waco. Group will study punishment, penalties, sentencing, probation and parole and definition of crimes. Also, it will review related federal laws and laws of other states.

Soldiering -- Draft quotas have doubled and local boards no longer are as liberal in deferment policies for students.

Col. Morris S. Schwartz, state Selective Service director, still is recommending deferment of undergraduate students enrolled for 12 or more semester hours.

A student is recommended for deferment only if there is evidence to prove degree requires additional study, Schwartz said.

A student may take even less than a full load if he is able to complete his college training in four or five hours.

Colonel Schwartz said draft headquarters would not recommend deferment of students taking less than nine hours.

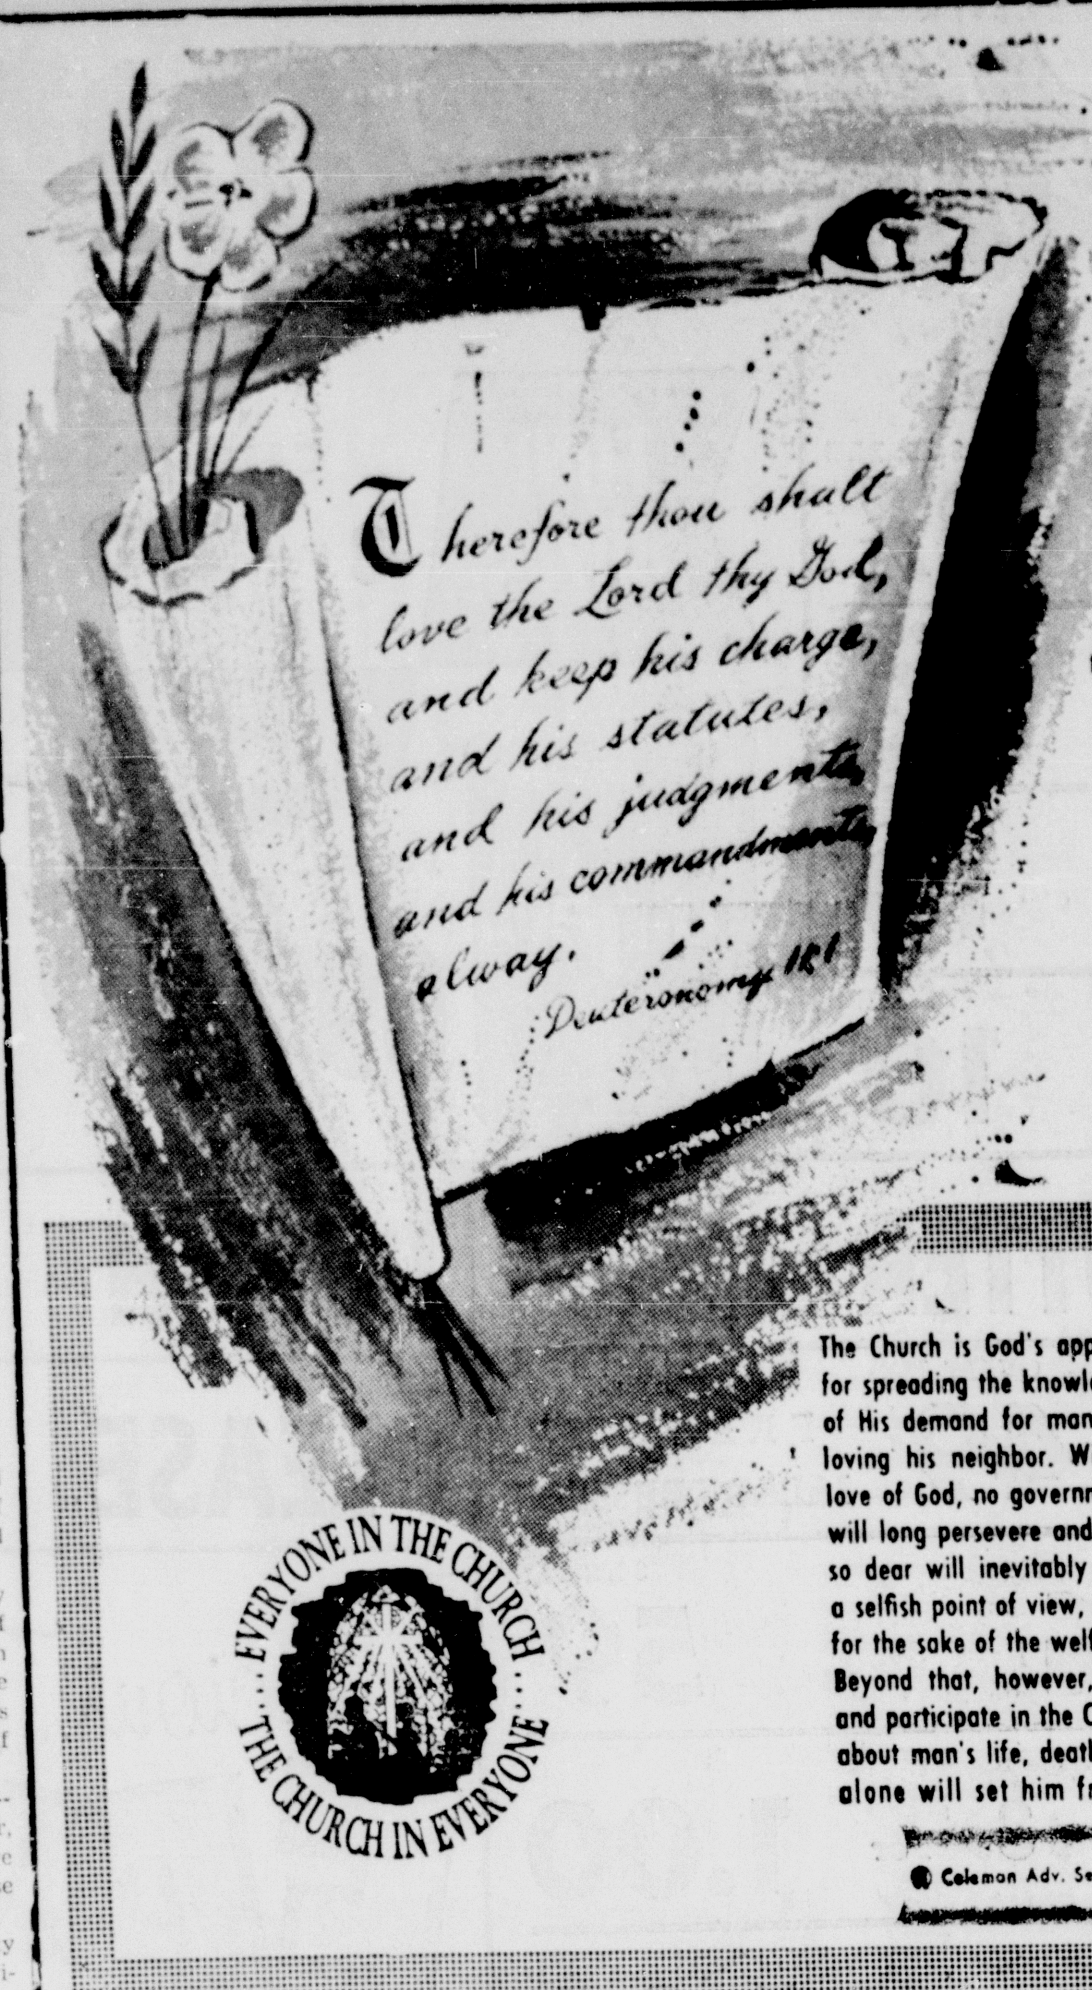

Those who drop out of school, carry less than full academic load, or placed on scholastic probation, can expect termination of deferments.

About 450 Texas doctors have been ordered to take required physical examinations by Texas draft boards as part of anticipated calls for doctors, dentists and veterinarians to enter active armed forces duty in January.

At the present time, only those born in 1937 or later will be affected.

Communicable Disease -- As the state's population increases, the number of communicable disease cases increase. Gonorrhea accounts for more illness than any other disease plaguing the state's inhabitants, says the State Department of Health and this year's total tops last year's by almost 1,000.

Strept throat is second behind gonorrhea, in the number of cases each year. Only last week, 631 cases were reported, as compared with 759 cases of gonorrhea. Syphilis is third, with 140 cases noted last week.

GOD'S WILL

The greatest commandment is

that we should love our God.

This is a free choice

that man has, but it is

God's desire that all

would seek Him. He is our

heavenly Father, and desires

only the best for us.

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
